

Introducing the Sawbobus Commuter Service

From **Monday 24th February**, Sawbridgeworth Town Council will be trialling three Sawbobus services each weekday morning and evening **to/from Sawbridgeworth station**, to help commuters get to work, save money on car parking, reduce traffic, and cut emissions.

***** TRIAL EXTENDED UNTIL FRIDAY 14TH MARCH *****

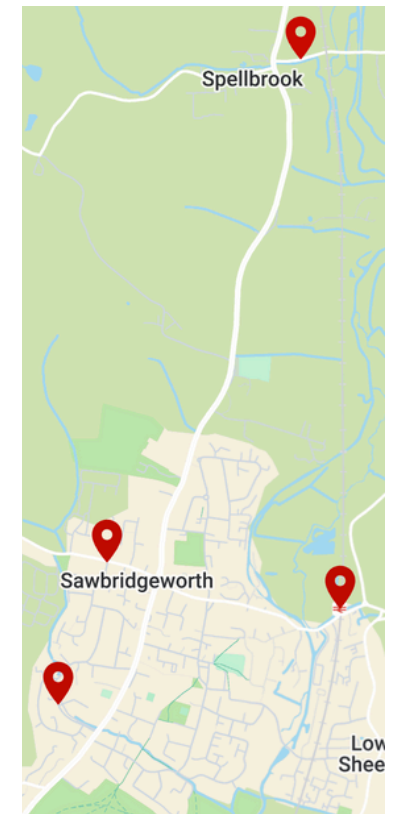

The route/timing guide can be found below. Stops are: **Three Horseshoes, Spellbrook**; corner of **West Road/Roseacres**; corner of **Burnside/Brookfields**; and **Sawbridgeworth station**.

This is a non-guaranteed, first-come first-served service, and once the bus is full it will not stop. This will start as a **free trial** to test timings and demand, so please bear with us. There will be no service after **14th March** whilst we assess. In time, this will become a paid-for service.

Any queries or feedback, please email: info@sawbridgeworth-tc.gov.uk
