To note any items for future agendas.

Members of the Public and the Press are cordially invited to attend all meetings of the Council and its Committees.

Appendix A

SAWBRIDGEWORTH TOWN COUNCIL

MEETING OF THE TOWN COUNCIL Minutes

of the Meeting of Sawbridgeworth Town Council held at 7:00pm in the Council Chamber, Sayesbury Manor, Bell Street on **Monday 24**th **February 2025**.

Those present

Cllr E Buckmaster
Cllr R Buckmaster

Cllr Annelise Furnace
Cllr Dawn Newell

Cllr Salvatore Pagdades Cllr Angus Parsad-Wyatt Clir Nathan Parsad-Wyatt

Cllr Simon Penney Cllr Greg Rattey Cllr John Rider

Cllr Reece Smith

In attendance:

Town Clerk

Press, Chris Carter

2 x Members of the public

Welcome by the Town Mayor followed by a minutes silence to mark the $3^{\rm rd}$ anniversary of the war in Ukraine.

Thought for the day was read by Cllr Nathan Parsad-Wyatt.

24/128 APOLOGIES FOR ABSENCE

There were none

24/129 DECLARATIONS OF PECUNIARY INTEREST

No declarations of pecuniary interest were declared.

24/130 PUBLIC FORUM

Q1. How are we going to address the call for sites, communicate with the public and ensure the infrastructure is improved.

<u>Cllr Nathan Parsad-Wyatt</u> responded the district Council state they cant rule anything in or out at this stage, each site will get assessed against planning policies then determined to see if it is acceptable to be developed or not. At that point developers will bring forward detailed applications and it at this point we as the town council can consider if these developments are acceptable or not. We need to make sure we have the infrastructure in place to further developments. Also other developments such as recreational schemes may be requested which could deliver more service provision for the town.

<u>Cllr Angus Parsad-Wyatt</u> The process for engagement will be through the district councillors, the district plan needs to be concluded within 30 months and into the new council structure.

<u>Cllr Eric Buckmaster</u> mentioned that from a County perspective the sites will be assessed around flooding, road networks, the Gilston 10,000 houses will take the development construction works up to the 2050's. Due to this it is critical we know what is being proposed and the impact this will have locally.

<u>Cllr Nathan Parsad-Wyatt</u> stated that there were two distinct parts to the process, Once the district plan is published sites will be assessed for suitability and we should encourage residents to be involved in this process. This will be followed by specific applications which will encourage applicants to take significate public consultation and we will

publicise this as much as possible.

Q2. Will the County Councillor applicants be supporting Ukrainian Small and Medium Sized Enterprises (SME's) and translators via video link on a nonprofit basis.

<u>Cllr Eric Buckmaster</u> asked to put the question in writing to all councillors and when it is known what the specifics are to understand the question it will be addressed. <u>Cllr Dawn Newell</u> echoed this response.

Q3. A Church Street Trader has asked if parking could be supplied for deliveries in Vantorts Road for his shop.

<u>Cllr Eric Buckmaster</u> stated some derestricting of areas in Knight Street may support this request. Further public engagements will take place in respect of parking restrictions in the town which will provide business owners to have an input.

Q4. Can a Community Interest Company (CIC) be considered to support the opening of the Leventhorpe Swimming Pool.

<u>Cllr Angus Parsad-Wyatt</u> stated that many months of work has been invested in all avenues in keeping the swimming pool open. Unfortunately the decommissioning process has started and the pool does cost £300,000 in annual operational costs but also needs £700,000 to upgrade the pool.

<u>Cllr Dawn Newell</u> stated that it wasn't just the running costs needed as the whole pool needed upgrading.

24/131 MINUTES

Resolved: To approve as a correct record the minutes of the meeting of the town council held on 27th January 2025 (M07) One amendment was required from Cllr John Rider at point 24/110, his comment should read East Herts District Council not Herts County Council.

[prop Cllr Nathan Parsad-Wyatt; sec'd Cllr Angus Parsad-Wyatt]

To attend to any matters arising from these Minutes and not dealt with elsewhere on this Agenda.

Action	Owner	Update
To submit the draft letter to the District Council and add a question on why the recent government funding for the pool had not been successful to the County Council.	Clerk	Completed
To contact the police regarding the faulty street lights in Station Road due to the danger it poses to pedestrians.	Cllr Salvatore Pagdades	Completed
To rewrite the Grant Applications policy.	Clerk	Completed
To add a nomination for the vacancy on	Clerk	Completed

the next full town	
council agenda for	
the planning	
committee.	

24/132 PLANNING COMMITTEE

Received and noted: the minutes of the planning committee held on 27th January 2025 (P13)

Received and noted: the draft minutes of the planning committee held on 10th February 2025 (P014)

24/133 LEVENTHORPE SWIMMING POOL

Further discussion was made to the responses from both County and East Herts District Council.

It was requested the Clerk writes a further letter to East Herts District Council requesting for the rest of this school year East Herts District Council mitigate costs now faced by schools and parents to use alternative swimming pools following the closure of Leventhorpe swimming pool. These costs would not be budgeted for in this school year and are subsequently increased now pupils are travelling to Bishops Stortford rather than Leventhorpe.

ACTION - Clerk to write a further letter to East Herts District Council requesting for the rest of this school year they mitigate costs now faced by schools and parents to use alternative swimming pools following the closure of Leventhorpe swimming pool.

24/134 MAYOR'S CORRESPONDENCE/COMMUNICATIONS

To receive new Mayor's appointments and communications Cllr Reece Smith advised

 He attended the Indies newspaper awards which was very emotional but he congratulated Corrine Lewis on being presented with a Green award for her work with the Sawbridgeworth Repair Café and community litter-picking group Tidy Up Sawbridgeworth.

24/135 REPRESENTATIVES REPORTS

Received and noted: Representatives reports from:

County Councillor Eric Buckmaster

- Co-hosted with County officers 50 years of Countryside Management. It was also recognised for their investment in volunteers. And 100 volunteers attended an event to recognise this.
- The Youth COP 29 secondary schools attended to take part in climate change awareness and a careers fayre in the afternoon.
- The 20mph in the North East of the town has been agreed and will be implemented this week.
- Speed and volume surveys in Sawbridgeworth West have been concluded and all roads except Burnside complying being able to deliver 20mph restrictions. Burnside may need to have traffic calming measures to make it compliant.
- West Road and High Wych Lane are having pre patching repairs prior to resurfacing works and will require road closures.
- East Herts budget meeting is this Wednesday and Ringway and parking charges appear to be an issue. These are integral parts of the budget for this Wednesday but have already been decided by the executive member as a non-key decision and they are done.
- He has put a question to the executive on planning, regarding the

ongoing five year housing supply and the ongoing speculative development. We have seen applications not in the district plan approved as there is no five year housing supply.

 Parking charges also showed a direction of travel in removing the free parking period as it was only on a technicality that we haven't lost them.

Cllr John Rider asked regarding school composting. Can he forward details of the scheme as he will make the Head aware at Fawbert and Barnard School.

East Herts should make people aware of the access to green bins more accessible. Cllr Eric Buckmaster will forward details.

Cllr Annelise asked if there will be any feedback on the clean air night and the money invested in this campaign and the link in with the East Herts campaign. Cllr Eric Buckmaster will seek feedback but is frustrated at some of the responses to climate change posts and update on projects from members of the public.

Cllr Ruth Buckmaster

Stated nothing to report as she hadn't attended any district meetings prior to this meeting.

Cllr Angus Parsad-Wyatt

Stated that he has the full district council meeting on Wednesday but wanted to raise the community governance review. He mentioned on three occasions that we didn't want to be warded due to it not suiting the makeup of the town. This issue will be considered again at the full district council meeting, and the three district councillors will be making representations against it once again, as they have over the last two years. It appears that officers at the district council are applying the same considerations for similar-sized towns, but being warded will not suit Sawbridgeworth, as councillors have unanimously highlighted on several occasions over the past two years.

Sawbridgeworth Town Council has submitted representations on the 28 Knight Street licensing application.

ACTION - Due to the concerns for the warding consideration once again at District Council for the town it was agreed for the Clerk to write a letter on behalf of the Town Council. The letter should strongly object to the further consideration for warding as the town council appears to be being ignored on several issues managed by East Herts District Council.

Cllr Salvatore Pagdades

Highlighted the police surgeries and the dates that had been circulated to members.

The street lights in Station Road was raised with the local officers but they stated they could not assist with this matter.

He also raised the concern from Cllr Dawn Newell on the use of quad bikes at the Rivers Orchard. Police have increased patrols in the area for this issue.

Cllr Ruth Buckmaster

RHSO update, held the AGM last week and the group are in a good place financially but money will be utilised for the 300 anniversary events throughout the year.

The group changed its constitution as it was an open group meaning

only three members were required and the future and history of the group had no-one appointed this responsibility. A committee has now been adopted with 9 members including a Town Councillor.

Cllr Annelise Furnace

Has arranged the last Energy Hub event from the grant funding from East Herts, being Saturday 29th March 2025 9am – 1pm in Bell Street Car Park.

Cllr Simon Penney

No update as he couldn't make the last Sports Association meeting.

Cllr Steve Smith

Updated that the Hailey Centre held its first board meeting on the 22nd January, and the main topics were the finances as it has been running on a loss and this will exceed budgeted levels and expected to be £6,203 by the end of the financial year. Some of the expenditure was for a new boiler that has been fitted.

The refurbishment project is almost ready for a tender process to start, the timing of the project is key and a start date of July is planned. If this is not met it will need to be postponed until 2026 due to the colder weather requirements for hot food supply and a warm space for attendees. Funding has not reached its target and £70,000 is still required to complete the refurbishment works.

24/136 TOWN ACTION PLAN AND AMENITIES COMMITTEE

Received and Noted the minutes of the Finance and Policy Committee held on 10th February 2025 (T03)

24/137 POLICY MATTERS

To consider any matters relating to policies for the future development of Town Council services to the community.

 Resolved to approve and adopt the draft document, Grants [prop Cllr Nathan Parsad-Wyatt; sec'd Cllr Ruth Buckmaster]

24/138 TOWN CLERK REPORT

Received and noted: the Clerk's report for the month of February 2025.

The Clerk highlighted the Energy Hub and the great work to make this a success from Cllr Annelise Furnace which was echoed by the mayor. Cllr Annelise Furnace thanked all the volunteers that are supporting her.

24/139

TOWN PROJECTS MANAGER REPORT

The Clerk updated on the progress of the Town Project Manager's recouperation following an operation and the work by the rest of the team to ensure the council is still functioning smoothly.

24/140

WINTER ROAD TREATMENT

Nothing to report due to the mild weather conditions.

24/141 FINANCIAL REPORT

Received and noted: The current Financial Report

24/142 ACCOUNTS FOR PAYMENT

Noted and Approved: Accounts for payment.

24/143 ITEMS FOR FUTURE AGENDAS

Nothing was raised.

Meeting ended at 7:56pm

Action	Owner	Update
To write a further letter to East Herts District Council requesting for the rest of this school year they mitigate costs now faced by schools and parents to use alternative swimming pools following the closure of Leventhorpe swimming pool.	Clerk	COMPLETED letter sent 25 th February 2025
To write a letter on behalf of the Town Council. The letter should strongly object to the further consideration for warding in the East Herts District Council Community Governance review as the town council has made three representations previously and still is being considered.	Clerk	COMPLETED letter sent 25 th February 2025

£5,814,232 of additional funding to support active travel initiatives across Hertfordshire has been allocated by government and Active Travel England (ATE).

The funding will enable the development and delivery of local walking, wheeling, and cycling schemes, alongside community engagement initiatives. This supports the objectives in our Corporate Plan and a number of key policy areas including transport the environment, public health and the economy. Making it easier and safer to walk, wheel and cycle can help to improve health, improve air quality, support the local economy and manage traffic congestion on the road network. The funding comes as part of a nearly £300 million national initiative to enhance walking, wheeling, and cycling infrastructure across England.

Secondary school places announced for 2025

94 per cent of children have been allocated a place at one of their preferred secondary or upper schools by Hertfordshire County Council. Of the 14,703 Hertfordshire children who applied this year, 76 per cent gained a place at their first preference school.

Secondary and Upper Applications and Allocations as at 3 March

Council tax to increase 4.99 per cent as over £1bn to be spent on public services

At a full meeting of Hertfordshire County Council on Tuesday 25 February 2025 councillors have agreed a budget for 2025/26 of just over £1bn. The agreed Integrated Plan will see Council Tax increase by 4.99 per cent in April, which equates to a £1.62 increase per week for a typical Band D property.

The difficult decision to increase Council Tax was taken as the council's costs will rise over the next twelve months if inflation continues its upward trend and the imposition of higher employer National Insurance contributions.

Agreed as part of the 2025/26 budget, investment in services includes:

- Nearly half a billion pounds will be spent supporting 30,000 adults to live well for longer, including £30 million investment to support those providing care, ensuring that caring staff receive a living wage and to offset the increased National Insurance costs.
- £26m of additional investment will be spent to ensure that the council can meet the expected increase in demand from older adults requiring care.
- Just over quarter of a billion pounds will be spent on children's services, including £28m of additional investment to ensure we can continue to support Children Looked After and children with disabilities. A further £2.8m of funding on top of the previous £7m investment will be made towards our SEND improvement programme 'Making SEND Everyone's Business'.
- £100m will be spent on highways maintenance, allowing the council to repair and improve our roads and keep the county moving.
- Funding will be made available to improve flood protection and investigations.

Mindful of the need to keep the burden on taxpayers to a minimum, the council will continue to drive down internal costs by £42m next year with £16m of savings delivered by the ongoing Organisational Resourcing programme.

Help for families to have fun in Hertfordshire

Families whose children are eligible for free school meals are now able to claim discounts in shops, sports clubs and children's activities with a new Herts Card. They can also book their free school holiday activity HAPpy camps, from 13 March, when bookings open.

The Herts Card is designed to give discounts to children and young people, for lots of activities and days out that they might not be able to access otherwise. Local wildlife parks, football clubs and holiday activity camps are already part of the scheme, offering discounts to Hertfordshire's families who might benefit from additional support.

The idea for the card builds on the success of the HAND card, which was used by young people and families of children with special educational needs and disabilities (SEND) to gain exclusive access and discount prices to events and activities in Hertfordshire.

Now families who are eligible for free school meals can also take advantage of pre-negotiated discounts with local businesses and activity providers. Families of children and young people with SEND who have an existing HAND card can download the new version of the Herts Card and continue to enjoy all of the discounts they previously accessed, and more.

It's easy for eligible families to get their new Herts Card; those already in receipt of free school meals will be contacted by the council with a link to sign up to the card. Anyone newly signing up for free school meals will also be sent a link to get their card.

The council has made it easy for local businesses and organisations to register their discounts and help make sure children do not miss out due to financial stress. Local businesses can email: hertscard@hertfordshire.gov.uk and include details of what they're able to offer.

HAPpy camps

HAPpy activity camps are returning this Easter, providing eligible children and young people with the chance to meet friends, learn new skills and enjoy nutritious food during the Easter break.

The HAPpy programme is funded by Hertfordshire County Council and the Department of Education (DfE) via the government's Holiday Activity and Food programme and coordinated by Herts Sport and Activity Partnership and the Hertfordshire Community Foundation.

Children and young people who are in school years Reception to Year 11, who attend a Hertfordshire school and are in receipt of benefits related free school meals can attend the HAPpy Easter camps. Eligible families should already have been given their booking code from their school. Parents/carers who have not received the code should contact their school office.

Every camp is inclusive and able to meet the needs of most children and young people with special educational needs and disabilities (SEND), provided the right information is supplied with

their booking. There are also SEND-specific camps which are better for children with higher support needs.

Bookings open at 12pm on Thursday 13 March. For further details of the programme, the camps available and to book places visit: <a href="https://examps.ncbi.nlm.ncbi

Families eligible for free school meals will also be given supermarket vouchers for during the Easter holiday by their school.

Hertfordshire County Council approves project to create 820 new supported living homes:

Plans to create 820 ensuite bedrooms for working age adults with care and support needs were approved by Hertfordshire County Council's Cabinet on 24 February, following discussion at the Adult Care, Health and Wellbeing Cabinet Panel on 29 January and Resources & Performance Cabinet Panel on 14 February.

Over the next five years the county council will work with registered housing providers to deliver new homes and redevelop existing supported living units for people with a learning disability. The programme will create 820 homes in the form of ensuite bedrooms in self-contained flats or shared living for individuals currently in supported living and those who could move into supported living.

The proposal will increase the supply and quality of affordable supported living homes in Hertfordshire, and in doing so will improve the health and wellbeing of those impacted by the scheme, as well as deliver savings for the county council.

The programme is estimated to cost over £400m, including a contribution of £47.7m from the county council's existing adult care capital budget, as well as investment from Homes England and registered housing providers.

The Environment

New 2024 Air Quality Status Report reveals lower pollution levels in Stortford and Sawbridgeworth

As reported by <u>Bishops Stortford Independent</u>, air quality in Bishop's Stortford and the rest of East Herts has improved, according to a new report. Pollution at trouble spots in Sawbridgeworth, Hertford and in the town decreased with just one recorded nitrogen dioxide (NO₂) breach in London Road. The newly published 2024 Air Quality Status Report is based on the most up-to-

date, full-year validated statistics from 2023 and attributes improvements to factors including greener vehicles, more flexible working patterns and targeted local policies.

At Ware recycling centre we have been routinely assisting a multi-agency operation called Agrarian. Police, EA and other authorised parties have used the upper shunt area of the recycling centre to carry out checks on vehicles travelling along Westmill Road.

24/02/2025

115 Cars stopped.

1 x Arrest for drug driving.

Traffic papers issued for No Seatbelt and use of a mobile phone.

Male dealt with for possession of cannabis.

Vehicle seized for No Insurance.

10/12/2024

100 Cars stopped.

Vehicle seized for No Insurance.

Traffic papers issued for a bald tyre, expired MOT.

Words of advice given regarding correct waste licencing.

Words of advice given regarding safe loads.

19/07/2024

80 Cars stopped

2 x Vehicles were seized for No Insurance.

8 x Traffic papers issued for various offences.

3 x Vehicle Defect Rectification Scheme notices were issued.

36 x Vehicles were checked for red diesel

The electric bus journey starts here

(5 March), local bus company Uno, owned by the University of Hertfordshire, officially launched the first five of its zero-emission electric buses on its newly branded Electric Shuttle. The five buses, which will run on the route between campuses at the University of Hertfordshire and the site's park and ride, are the first of 27 being delivered over the next 12 months. A special launch event was held at the University to mark the start of a journey that is set to transform public transport across the region.

The investment, being delivered under the Zero Emission Bus Regional Areas (ZEBRA) funding scheme, is a collaboration between Hertfordshire County Council, the Department for Transport (DfT) and Uno. The joint effort is dedicated to improving air quality and reducing carbon emissions across the county.

While the primary benefit of electric power is the delivery of cleaner air, it also enhances the passenger experience with a smoother, more comfortable ride. Additionally, the buses are quieter, which not only improves the journey for customers but also reduces noise pollution in the communities they serve.

Hertfordshire's councils and OPCC submit joint response to Government on local government reform including options for 1,2,3, or 4 unitaries

All 11 councils in Hertfordshire and the Office of the Police and Crime Commissioner (OPCC) have agreed a joint interim response to the Government outlining a number of initial options for the reorganisation of local government structures in the county.

Hertfordshire is what's known as a two-tier area with the county council responsible for services such as libraries, highways and transport, adult social care and children's services, and 10 district and borough councils providing services such as bin collections, street cleaning, environmental health, leisure and housing. The Police and Crime Commissioner is responsible for the oversight of policing across the county.

As part of its plans to reshape local government, on 5 February the Government invited councils in all two-tier areas to submit an interim plan by 21 March for moving to a single tier of unitarity councils providing all services.

Hertfordshire's councils and the OPCC's shared priorities are ensuring any changes benefit residents and businesses, excellent local government services are maintained, residents are kept safe, and strong democratic accountability is available to communities across the county.

All 11 councils and the OPCC worked together to produce the interim submission which has been shared with elected members at each individual organisation and Hertfordshire's MPs.

The submission sets out a number of options for further consideration, ranging from one to four unitary councils providing all services.

It also includes early thinking on how each option could support devolution, improve services, deliver value for money and maintain strong links to communities.

While a joint submission has been agreed, councils have differing views on the options set out and no decisions are being made at this stage.

Councils and the OPCC will continue to collaborate over the coming months to collate and analyse further evidence for each option.

The Government will provide feedback on the interim submission which will also inform the development of final proposals to be submitted to the Government by 28 November 2025 for a decision by Ministers.

The views of residents, businesses, local government partners, colleagues, and other stakeholders across the public and private sectors will be essential as proposals develop. All councils and the OPCC are committed to providing updates throughout the process.

Cllr Annelise Furnace, Eco representative report 31 March 2025 (as of 23 March 2025)

East Hertfordshire Air Quality

How to Use:

Welcome to the East Hertfordshire Air Quality portal.

visit Air Quality | East Herts District Council.

Call on air quality monitoring data - 6 March

- Councillors, officers and Sustainable
 Sawbridgeworth volunteers met with the
 WellStat team who look after the real-time air
 quality monitoring data collected from the
 town and other points in East Herts.
- The team provided an overview of the dashboard, available to the public at https://live.airscan.iknaia.co.uk/east-herts-map, explaining its features such as map views, device status indicators, and data analysis tools
- The dashboard displays air quality data using color-coded alerts and integrates with Defra's air quality index although this is generally no longer regarded as indicating safe levels.
- Data can be downloaded in CSV format, and an API is available for automatic data collection. Data retention is typically a year, with archived data available upon request.
- The session also discussed the potential for a mobile app and possible future collaborations with other councils like Bournemouth for similar projects.

Repair Café – 22 March

- Another successful Repair Café was held at the Bullfields Centre with slots fully booked plus a few walk-ins squeezed in.
- Sustainable Sawbridgeworth's Thermal
 Imaging Camera loan scheme was promoted.
 Residents can borrow the camera free of
 charge for a week (with a refurnable deposit)
 for use at home to see where heat is leaking
 and where they could be saving energy and
 money.

AQI: 2

East Herts Climate Forum - 3 March

- Included summary of Energy Hub activities across East Herts, residential and community buildings decarbonisation initiatives, urban tree planting and plans for thermal imaging cameras.
- Followed by discussion around a future biodiversity and nature focus, and potential initiatives.

Up and coming (correct at time of writing)

- 29 March Energy Hub in Bell Street carpark 9 to 1pm
- 29 March Tidy Up Sawbridgeworth in Bell Street carpark 10 to 12pm

Internal Auditor Selection

Date:

25th March 2025

Report on Current Internal Auditor: HGC Accountants

HGC Accountants has consistently demonstrated their reliability and expertise as the internal auditor for Sawbridgeworth Town Council over the past five years. Based in Sawbridgeworth, they specialise in a range of financial services, including bookkeeping, tax returns, payroll management, and internal auditing. Their commitment to professionalism, responsiveness, and cost-effective solutions has garnered strong customer satisfaction.

Key Highlights of Their Service:

- **Experience**: HGC Accountants have provided over five years of exemplary service to our council, showcasing their familiarity with our operations and requirements.
- **Expertise**: With a proven track record in managing accounts and delivering financial advice, they bring a wealth of knowledge and technical proficiency to the role.
- Independence: Their impartiality and independence ensure no conflicts of interest with the council, aligning with auditing best practices.
- **Methodology**: They employ modern accounting tools and methodologies to carry out efficient and precise audits.
- **References**: Positive testimonials from other clients further affirm their credibility and reliability.

The council's longstanding relationship with HGC Accountants underscores their ability to meet our auditing needs effectively and efficiently.

To allow for scrutiny and to ensure we are getting both value for money and are fulfilling our legal requirements, I have assessed two further companies against that of the service provided by HGC Accountants.

1. EY Internal Audit Services

- **Strengths**: EY is a globally recognised firm with extensive experience in internal auditing. They leverage advanced technology and data analytics to provide thorough evaluations.
- **Weaknesses**: Their services can be costly, and their large-scale operations might lack the personalised touch that HGC offers.
- Suitability: Ideal for larger organisations needing comprehensive audits.

2. Deloitte Internal Audit Services

- **Strengths**: Deloitte is another global leader in auditing, known for its innovative approaches and expertise in risk management.
- **Weaknesses**: Similar to EY, their fees are higher, and they may not be as accessible for smaller councils.
- Suitability: Best suited for councils with complex financial structures.

Recommendation: Stay with HGC Accountants

HGC Accountants has been a trusted partner for over five years, offering tailored services that meet our council's specific needs. Their local presence ensures accessibility and a deep understanding of your operations, making them a reliable and cost-effective choice.

FULL TOWN COUNCIL MEETING

From:

Christopher Hunt

Subject:

Full Town Council February Update

Date:

25th February 2025

Annual Town Meeting

The meeting was altered to make it more engaging with printed reports supplied and lanyards to identify group representatives. Feedback so far is positive but indicating a larger venue is required and further advertising to attract more members of the public to attend.

Jubilee Gardens

Progress continues on this project. The heritage statement required by the planning department has been received, and planning permission was submitted but rejected as a biodiversity matrix is now required by the planning department. This has also been commissioned and pre purchasing initiated to ensure funding from EHDC has been spent prior to the financial year end deadline.

West Road Allotments

Discussions on the finalisation of the agreement to take ownership of the site are ongoing. Concerns remain about the entrance's accessibility by vehicles and potential misuse of the car park by non-plot holders. Recent access has been gained to the parking area and signing over of the allotment has been postponed until developers make the site more secure.

Staff Matters

One staff member is on a stage return to work and actively progressing with medical treatment and contributing to the Mayor's Civic Ceremony with team support. Another member of staff has been off with a short term injury but will return to work on 31st March 2025.
