**STC Comment:** No objection

**EHDC Decision:** Refused. “The proposed development would constitute inappropriate development within the Green Belt and additional harm would result from loss of

openness. The harm by reason of its inappropriateness and loss of openness is not clearly outweighed by other considerations, nor have very special circumstances been demonstrated. The proposal is therefore contrary to Policy GBR1 of the East Herts District Plan 2018 and the National Planning Policy Framework 2023.”

**STC Comment:** Concerned about design and construction impact on neighbouring properties. Officers should be reassured that impacts can be mitigated & Officers to explore the possibility of existing building being retained & developed to mitigate impact on neighbouring properties. Trees to be protected.

**EHDC Decision:** Granted.

---

**3/24/1460/HH            Firleighs, 72 Pishiobury Drive, CM21 0AF**

Single storey front extension, conversion of garage to habitable room and removal of garage door for window. Insertion of door to flank elevation and alterations to fenestration and erection of garage to front

**STC Comment:** No objection

**EHDC Decision:** Refused. “The proposed development is considered to be inappropriate development in the Green Belt, failing to comply with the exceptions outlined under paragraph 154 of the NPPF. The proposed additional footprint and floorspace would result in a structure 'materially larger' than the original dwellinghouse, resulting in harm to the openness of the Green Belt. No very special circumstances have been presented to clearly outweigh the identified harm. The development therefore is unacceptable in principle as it fails to comply with policy GBR1 of the East Herts District Plan and Section 13 of the NPPF” & “Insufficient information has been provided in respect of the front culvert and driveway areas, with no information provided on the proposed shifting of the driveway, works to the front culvert, and the impact of these upon the protected trees, the water environment and the landscape character of the Historic Garden. Therefore, insufficient evidence and justification has been provided to demonstrate compliance with Policies DES3, NE3, DES4, HA8 and WAT3 of the East Herts District Plan 2018 and the NPPF.”
